CLERK: Now, Mr. President, we have pending on Select File LB 264 which was returned to Select File earlier this morning for a specific amendment offered by Senator Mills.

SPEAKER: The Chair recognizes Senator Mills.

SENATOR MILLS: Mr. President and members of the body, I would like to direct your attention to Page 1165 of the Journal and have you look at the amendment that is offered to LB 264. LB 264 explains and raises the financial responsibility to people here in the state of Nebraska, who are affected by that statute. The amendment simply says that when a Department pursuant to any law of the state suspends or revokes the license of any person after having received a record of conviction of the licensee, such person shall not be eligible for reinstatement of his driving privilege until he shall give and thereafter maintain proof of financial responsibility. Now if that part disturbs you, thereafter maintain proof of financial responsibility, in the statutes, section 525 that follows that, it explains that everything preceding and 524 is affected by a three year period. I ask for your adoption of this amendment.

SPEAKER: Any further discussion? This is a specific amendment to LB 264. The question is, shall the amendment be adopted. Have you all voted?

SENATOR MILLS: Mr. President.

SPEAKER: Recognize Senator Mills.

SENATOR MILLS: I am just watching the count. Thank you.

SPEAKER: The Clerk will record.

CLERK: 25 ayes, 0 nays.
